## Debate Tournament Invitation

### February 1, 2025

On behalf of Coginchaug High School in Durham, Fitch High School in Groton (possibly), and the CDA, you are invited to our fifth regular tournament of the 2024-25 season on Saturday, February 1. We will follow our usual format: one hour for case preparation, four rounds of debate in Varsity and Novice divisions, and a final round between the top two Varsity teams.

The number of rooms available and the distances involved complicate planning. We ask everyone to fill out the [Google Attendance Poll](#) first. Registration on Tabroom will not open until next week, January 27, when we have resolved the hosting issues.

Please read the following carefully and follow the instructions.

1. **Attendance Poll:**

- a. January 20—invitation goes out to all Coaches and is posted on the CDA website.
- b. By January 24—Coaches of schools that want to attend must complete the [Google Attendance Poll](#). This information is critical to determining what events we will hold.**

2. **Tabroom Registration:** You will need to get your registrations in promptly the week before the tournament.

- a. January 27, 8AM—tournament opens for registration on Tabroom
- b. January 29, 6PM—teams must be entered in Tabroom to be considered.**
- c. February 1, 9AM—tournament begins!

3. **Judges:** You must have one qualified judge for every two teams or part thereof (in total, not by Novice and Varsity individually). Judges should bring a laptop or tablet to use an electronic ballot.

4. **Registration:** You must register your teams and judges through [tabroom.com](http://tabroom.com). Tabroom has online instructions through its Help tab, and CDA has written brief [Tabroom Instructions](#) (these are a bit dated).

- a. There will be Varsity and Novice debate events for each host school. *Please be sure you enter debaters in the event corresponding to the location you plan to attend.*
- b. Observers should be entered in the Observer event so we have a count for motion packets.
- c. There will be two judge categories for each host school, one for Varsity Judges and another for Novice Judges. *Please be sure you enter judges into the event corresponding to the location you plan to attend.*
  - i. Varsity judges should either have judged at a debate tournament before or be former debaters.
  - ii. Someone who has never judged before should be entered as a Novice judge!**
  - iii. Tabroom counts judge coverage by event. Don't worry about Tabroom complaining you are not covered in either Varsity or Novice if you are covered in total (one judge for every two teams or part thereof). We move judges between Varsity and Novice if necessary to manage the tournament.

5. **Novices:** Please abide by the rules for Novice eligibility:

- a. The Novice division will be open to Freshman and Sophomores, regardless of experience or record. They may qualify and participate as Novices in State Finals both years. However, they

may move up to Varsity at any time if they or their coach choose, and once having chosen to move up, may not return to Novice. Coaches are encouraged to move a Sophomore up to Varsity if they have been successful as a Freshman but are not required to do so.

- b. A Novice who moves up to Varsity for one tournament to complete a team pairing may return to Novice at their next tournament.
  - c. Juniors who have never debated before in CDA may participate as Novices in their first regular CDA tournament. Otherwise they must debate in Varsity. They may not participate in State Finals except in Varsity. They may only qualify for State Finals while debating in Varsity.
  - d. Seniors may not participate as Novices in any CDA tournament.
6. **Coaches:** Debaters cannot attend individually. *We expect each team to be accompanied by a Coach or responsible adult approved by your school* who will follow and manage the team’s activities and be available for discussion if required. This is a CAS rule and almost always a school rule, not simply CDA practice. The Coach or chaperone may also serve as a judge.

If you have any questions or comments, please email me at [ejrutan3@ctdebate.org](mailto:ejrutan3@ctdebate.org) .

**Tournament Day Schedule**

Time	Activity	Comment
8-9AM	Arrival and registration	Register, buy lunch tickets, gather in the cafeteria
